Ava Hake

Where are you going to high school next year?

Notre Dame High School

When did you first start attending ICS?

2011

What was your favorite subject?

History

In all of your years at ICS what was your favorite field trip?

DC

What sports or activities did you participate in? I did soccer for a while but then I quit, did basketball and volleyball for a year, and now I just do Track and Cross Country

What is your best memory from ICS?My best memory is whenever I was in fourth grade, watching the graduates of that year walk down the aisle, and being super excited that one day, that would be me up there. I would be able to walk in front of everybody, and it would be amazing. Just me, and all my classmates finally ready to graduate.

What advice would you give to next year's 8th grade? Never underestimate how much your teachers can help you. There are so many kind teachers here at ICS, and they are here to help you learn, not force information upon you.
