To Parents of all ICS athletes for the 2018-2019 school year:

On the BACK of this letter is the sign-up form for all sports offered at ICS for next year. It is very important that you discuss with your child the commitment that is involved in playing sports at ICS.

ALL children are welcome to be on the school teams. They need to understand the importance of keeping up their grades, attending all practices and games, and doing what the coach asks of them for the good of the team.

ICS teams need to have **first priority** over the other teams and activities in which your child may be involved. For all students, especially grades 5-8, you and your child should discuss participation on other teams and in other activities as well as the commitments involved for each activity. Please review the ICS Athletic policies regarding participation in ICS sports activities and expectations of the student athletes.

Per diocesan policies, there is no guarantee of playing time in grades 7 and 8; 5th graders will play a minimum of 25% of the time, and 6th graders will at a minimum appear in each game, provided they have followed the rules stated in the ICS Athletic policies.

The information compiled from the back of this sheet will determine the number and makeup of teams we will field at ICS next year. If your child signs up for a sport, they will be expected to play. With this information, we schedule games and hire officials and scorekeepers. We make schedules with other schools dependant on the number of our students that sign up to participate. At times, depending on the number of athletes signing up, teams may consist of more than one grade.

Please discuss the playing of sports at ICS with your child and fill out the form on the BACK of this letter. Please include payment of sports fees for next year with the sign up form. Fees are as follows:

\$25 FAMILY registration fee
\$20 per child per sport.

If your child signs up this spring and then chooses not to play, no refunds will be granted. Anyone who does not sign up now and decides to play next year will incur an additional \$15 late fee. **The Maple Grove soccer fee allowing ICS to use the Oerter Park fields needs to be paid at the same time as the ICS sports fees. Fees are as follows:**

\$50 for one child
\$90 for two children (\$50 + \$40)
\$120 for three children (\$50 + \$40 + \$30)

Sign-up Sheet for ALL Sports at ICS 2018-19

Please place an **X** next to each sport your child will play next year.

There is a \$25 per family registration fee for athletics, plus \$20 per sport per child. Please make sure your check is for **\$25 plus \$20 per sport per child**. The Family Registration Fee allows all of your children to play all available sports for their grade.
