

## COMMUNITY RELATIONS

### Authorization for Internet Access

In order to access and use the school's Internet and other related technologies (the "Network"), each person ("User") must sign this *Authorization* and the *Internet Code of Conduct*. If the User is a student, both the student and his or her parent(s)/guardian(s) must sign this *Authorization*. Please read this document carefully before signing.

All use of the Network shall be consistent with the school/parish/diocese's goal of promoting educational excellence by facilitating resource sharing, innovation and communication. This *Authorization* does not attempt to state all required or prescribed behavior by Users. However, some specific examples are provided. *The failure of any User to follow the terms of this Authorization for Internet Access or the Internet Code of Conduct will result in the loss of privileges, disciplinary action, and/or appropriate legal action.* The signature(s) at the end of this document is legally binding and indicates the party who signed has read the terms and conditions carefully and understands their significance.

3. Privilege. The use of the school/parish/diocese's Network is a privilege, not a right, and inappropriate use will result in a cancellation of the privilege. User will participate in a discussion with an assigned staff person(s) concerning the proper use of the Network. A faculty member, staff person or parent/guardian may request the System Administrator to deny, revoke, or suspend a student User's access to the network due to unacceptable use. The System Administrator will make all decisions regarding whether or not a User has violated this *Authorization* and may deny, revoke or suspend access at any time.
4. Network Etiquette. Users of the network and of any e-mail services are expected to abide by the generally accepted rules of Network etiquette. These include, but are not limited to, the following:
  - a. Be polite. Do not become abusive in your messages to others.

  - d. Do not use the Network in any way that would disrupt its use by other Users.
  - e. Consider all communications and information accessible via the Network to be private property.
5. E-Mail. All electronic and telephonic communication systems and all communications and information transmitted by, received from, or stored in the Network are the property of the Diocese and as such are to be used solely for educational purposes. The use of any software and/or the Network for private or commercial purposes is strictly prohibited. Users using the network do so at their own risk. Further, Users are not permitted to use a code, access a file, or retrieve any stored communication unless authorized to do so or unless they have received prior clearance from the System Administrator. All pass codes are the property of the Diocese. No User may use a pass code that has not been issued to that User or that is unknown to the Diocese. To ensure that the use of the Network is consistent with the educational objectives of the Diocese, authorized representatives of the Diocese may monitor the use of the Network from time to time. Such monitoring may include printing up and reading all E-mail entering, leaving, or stored in these systems. Messages relating to, or in support of, illegal activities may be reported to the authorities. Therefore, anything you say, receive, or use on the Internet is not private, and you should not have any expectation that any messages to or by you or activities by you are private or confidential.
6. No Warranties. The Diocese makes no warranties of any kind, whether expressed or implied, for the Network service it is providing and will not be responsible for any damages Users suffer. This includes loss of data resulting from delays, non-deliveries, mis-deliveries, or service interruptions. Use of any information obtained via the Network is at the User's own risk. The Diocese specifically denies any responsibility for the accuracy or quality of information obtained through the system.
7. Financial Obligations. The student or parent/guardian will be responsible for any financial obligation incurred through the use of the Network that is not previously approved by the school. Unauthorized charges or fees include, but are not limited to telephone charges, long distance charges, per-minute surcharges, and/or equipment or line costs.

- 8.. Indemnification. The User shall indemnify the school/parish/diocese's for any losses, costs, or damages, including reasonable attorney fees, incurred by the school relating to or arising out of, any breach of this *Authorization*.
- 9. Security. Network security is a high priority. When you identify a security problem on the Network, you must notify the System Administrator or principal *immediately*. Do not demonstrate the problem to other Users. Keep your account and password confidential. Do not use another individual's account without written permission from that individual. Attempts to log-on to the Network as a System Administrator will result in cancellation of User privileges. Any User identified as a security risk may be denied access to the Network.
- 10. Vandalism. Vandalism will result in cancellation of privileges and other disciplinary action. Vandalism is defined as any malicious attempt to harm or destroy data of another User, the Network, or any other network. This includes, but is not limited to, the uploading or creation of computer viruses.

Students, adult students, parent(s)/guardian(s), and teachers need only sign this *Authorization for Network Access* once while enrolled or employed by the school/parish.

**Acknowledgment and Agreement**

I understand, agree to, and will abide by the above *Authorization for Internet Access* and I warrant that I have signed, understand and will abide by the *Internet Code of Conduct*. I further understand and agree that should I commit any violation, my access privileges may be revoked, school disciplinary action and/or appropriate legal action may be taken, and I will be responsible (and promise to pay) for any costs or damages associated with or resulting from any such breach or violation. In consideration for using the school's Network connection and having access to other networks, I hereby release the school/parish/diocese and its board members, employees, and agents from any claims and damages arising from my use, or inability to use, the Network.
