**ARE YOU READY TO SERVE?**

We would like to thank our Pastoral Council and School Board members who have faithfully completed their terms of service, and would like to invite you to fill their shoes.

What do you need to know about the Pastoral Council or School Board?

**School Board:** The 12 member School Board meets on the 3rd Tuesday of the month in Room 220 of the Immaculate Conception School. The Board serves as an advisory group to support the Principal and Pastor in developing and implementing school policies while acting as a liaison between parents and school administration and serves as a catalyst for change and development at ICS. Board members are expected to actively participate on two committees, such as budget, teacher/employee, development, curriculum, athletic or building and grounds. Board members serve 3 year terms that begin in June.

**Pastoral Council:** The 10 member council plus 2 lay trustees meet with Father Carl and the Pastoral Staff on the 4th Tuesday of the month at 7PM in the Knights of Columbus Room on the Garden Level of the Church. The Pastoral Council serves to recommend policy to the pastor for parish spiritual, educational and financial matters, serving as a hub and interface for all parish groups and ministries. The authority of the Council is not one of governance, but one of leadership and service. All are encouraged to consider service; a wide variety of members (men & women, young & mature) will best represent the parish. Pastoral Council members serve 3 year terms that begin in June. All registered Catholic members of the parish who are fully initiated are eligible to serve on the Council.

Please prayerfully consider placing your name in the discernment box for Pastoral Council or School Board (located in the gathering space in the back of Church). New members will be drawn from the boxes at the end of 5PM Mass on April 29th.

Please fill out the discernment form and drop it in the Pastoral Council or School Board discernment box in the back of Church before 5PM Mass on April 29th. Or, recommend a friend to do it!

---

**INTERNET SAFETY PRESENTATION FOR BOTH KIDS AND PARENTS...** This Sunday In Garden Level from 10-10---10:50 a.m. **Deputy Chief Jason Donjon** will be covering topics including: sexting, cyber bullying, how to create a "positive online image" vs. a "negative online image". He will suggest which apps and social media sites are "better" than others.....and if used correctly can help build up a "positive online image". Finally he will cover ways to talk about these issues with your kids/parents and some tips, tools and apps to assist with monitoring.

*This is Palm Sunday. He will be gusting to 600 words per minute. Please listen to him and learn. I will be late so take notes for me please! We have had such a hard time finding an opening for this due to how busy our Garden Level is and wanting to open it up for more parents and students. Pop in after 9:00 Mass or before 11:00 and catch up with your children.*

Thanks Deputy Chief!

On Wednesday, March 22<sup>nd</sup>, 2017, the 1<sup>st</sup> Grade classes at Immaculate Conception School, Columbia, IL, took their annual Butterfly House Field Trip. They learned about and observed the stages of a butterfly's life cycle. This learning experience wrapped up the 1<sup>st</sup> graders science unit on butterflies during which they hatched and released Monarch butterflies the size of 9 inch plates.

Immaculate Conception sixth graders took their spring field trip on Tuesday, April 4. The religion and arts themed trip started at the Cathedral Basilica of St. Louis. The class started their tour by visiting the Angel of Harmony statue, which emphasizes the themes of harmony, peace, and racial justice and was created from a suggestion of Bishop Edward Braxton, currently Bishop of Belleville, when he served there as Auxiliary Bishop. Following the Cathedral tour, the class visited City Garden, an interactive sculpture park in downtown St. Louis. The park features 23 modern and contemporary sculptures and a video wall. The students finished the trip with a docent led tour at the St. Louis Art Museum to view religious art and mosaics. Chaperons were Kim Sullivan, Steve Sullivan, Kevin Schmoll, Mary Tippen, Andrea Biske, Shannon Haney, Victoria Rose, Carol Fetcho, and Karen Weiler. The trip is part of arts integration into the ICS curriculum.

**COUNSELOR'S CORNER...**How are we cultivating peace? How do we go from angry thoughts to angry minds to angry words to angry actions? What are the baby steps that lead to large confrontations? What are the tiny moments that mushroom into nuclear warfare?

Imagine cultivating only peace: Peaceful thoughts, peaceful words, peaceful actions.

I spent some time this morning comforting a student who lost a family member to gun violence. How could I possibly have the words to comfort this child? I could only feel his sorrow. "I'm sorry," I told him. "This is so sad. You must really be hurting." His face was so drawn that I barely recognized the otherwise wound up and vibrant boy that I normally see. I began to consider what I may do in a given day that paves the way to violence. If I am wanting peace, I must be peace. I must choose and use my words carefully. I must mind my thoughts and sift through them carefully before I act. I need to note when I begin to think in terms of "us" and "them".

We are Catholic: catholic, meaning universal, all-embracing. May we enter into Holy Week with peaceful hearts. Karen Lundy, ICS School Counselor, The Teaching Never Stops

**Our Building a Catholic Education and Activity Center Prayer:**

Merciful God, you are the Divine Builder, who calls us to build your Church.

Guide us in building our new Catholic Education & Activity Center, so that we can build the Church of the future by passing on the treasure of our faith to future generations. Bless the work of our hands, and keep us strong in faith, hope and love, so that all we do might bring glory and honor to you, forever and ever. AMEN

**THAT MAGIC MOMENT** Maybe you have had a great moment in your life when you have had an accomplishment or the praise heaped on and you felt just a little tingle of *"I don't want this moment to go away."* Jubilation might express that moment. Getting to the mountain top might express that moment. Jumping out of a perfectly good aircraft at 13,500 feet might give you that moment. Winning the National Championship might give you that moment. The birth of a child might give you that moment. Falling in love might give you that moment.

Well, Jesus Triumphant entry into Jerusalem had to be something special for Him. Knowing what was in store, just like knowing Lazarus would have to die later again, would not diminish the *"right now"* of it. Palm Sunday is a special day in many ways. It is a lifetime peak before a lifetime valley and we all know the valley is coming. Jesus knew, but for the moment, He humanly feels what we do when we have a life peak moment. Come and sing Hosanna---and know the valley of death awaits---but only for 3 Days. Think back 3 days. What would you change? Think forward 3 days? How would you get ready? Jesus is looking for you in the crowd. Come and lead the cheer! Holy Week is here and our Confirmation Candidates will be at the Mass of Holy Chrism on Tuesday at St. Peter's Cathedral in Belleville. These Holy Oils will sustain us through the new year in Baptism, Confirmation, Anointing of the Sick, and Ordination.

*Mike Kish*, Principal
