***OPEN THE DOORS OF MERCY!***

April 29, 2016

V. 41 #44

Dear Parent, Guardian, Student, Teacher, Friend,

**MARIAN KEIM**, our first parish secretary, died early this morning. Fr. James Jansen hired her in the early 1970's. She was very dedicated to our school and parish and a "faith-filled lady". She taught me to "Offer it up before it goes away". This hope-filled quote reminds us that tough times don't last, our perspective changes, but we should give them up to God in humble submission.

**Marian:**

Was our parish receptionist  
wrote the checks that paid the bills and  
balanced the checkbook for school and parish  
worked closely with Gene Schorb who took a parish with \$270,000 debt and in financial crisis and made it a model for the Diocese which included the  
**Eugene J. Schorb - Immaculate Conception Church Fund for Catholic Education**  
entered Baptismal, Confirmation, and Wedding records in the registry,  
gave cemetery tours during peoples' times of need to find the just-right resting place,  
worked closely with funeral homes,  
helped start our parish picnic,  
handled scheduling of parish facilities and the Church,  
entertained the quilters,  
was Parish historian and archivist, always pointing people in the right direction  
published the weekly parish bulletin  
was active in Parents and Friends, Altar Society, and St. Vincent DePaul  
served as Eucharistic Minister and Lector.

She was a Menner from home and had roots to the founding of the parish, was married to Dean who was our number 1 sports fan and Mr. Tinker for 14 years after retiring; her daughter Lori--- is on the Fundraising Committee for the new CEAC, former Parents and Friends President, School Board member; picnic founder, and son-in-law Mick has been a coach and Tinker for us many times. Her grandsons have just moved back into our parish and great grandson Nick is in Pre-School and Emelia will start Kindergarten next year. In her time, Marian was indispensable for our struggling parish. She was a big part of helping us become who we are as a parish. You will always be a woman of faith and we will miss your "out of this world" cookies! God be with you Marian as you meet your Maker and Lord! **Well done, good and faithful servant!**

**Scholastic Bowl Regional Champions!!!** The Scholastic Bowl team won the IESA State Regional competition defeating Aviston (260-165), Bunker Hill Wolf Ridge (285-105), and Hardin Calhoun (240-45). ICS will face Springfield Christ the King, Springfield Our Savior, and Macon Meridian. Team members include Spencer Biske, Kaylum Furlow, Ryan Gallagher, Hannah Janson, Eve Melliere, Ben Traxler, Mary Wessel, Jane Whelan, Isabella Frasure, Eli Garcia, Katie Grawitch, Reagan Herrmann, Kalia Jerkatis, and James Ramette, Coaches are Tiffany Taylor, Jen Schauster, and Dan Kassebaum. **BUILDERS CLUB WEEK** What another fun-filled week! It will be good to get back to uniforms some time soon---we have had a ton of success this year!

**Cancer Research Support Day** raised **\$1,050.00** for **Pedal the Cause** where 100% goes to Cancer Research. A check was presented to Jay Invoino, Executive Director of **Pedal the Cause.** Dan Whelan explained well how our dollars work---successful studies generate thousands more in research support---our buck gets magnified and so does the research!

A big round of applause to all who came out last Saturday to participate and support our first mom/son event. The laughter and smiles alone on everyone's face proved its success! Thank you for making this project so rewarding. We look forward to the next one. Be sure to check the event page on Facebook for pictures.

This event required a lot of help. We are so thankful for all of you who took time out of your schedule to make this a success!

**GOOD LUCK TO THE BAND TOMORROW!** I hope the judges hear what I hear---and know!

**40+ YEARS OF TROPHIES---**If you remember the movie *Young Frankenstein*, Cory Feldman had the unenviable job in the monastery of nailing Jesus to the cross for the rosaries he was making. (All the great religions can make fun of themselves---that is why we survive.) Tears flooded his face with every hammer blow. When I arrived here in 1971, the only trophies we had were from the girls CYO of the late 50's and early 60's. The little we had of a sports program had fallen apart. We lost over 60 students the year before I came. We started basketball, cheerleading, and baseball the first year. Paul Breitenstein, Roger Wink, and Brad Stanhouse later

talked me into starting soccer as 7<sup>th</sup> graders. I knew nothing about soccer but an ad in the parish bulletin caught Joe Hoguet's eye and he started a most successful program. When we started soccer, local schools switched baseball to the fall and it conflicted. We have stayed with soccer. Title IX brought girls sports to where they always should have been. I feel a little like Cory Feldman trying to pitch these trophies. The picture ones we will move. Some of the big ones we might move. But there are many that will have to go. Life moves forward. **For now, they sit till I move on them. Please do not help yourself yet. I would love a solution to not pitching them---re-use or saving a grade school memory. I will cling to the Old Rugged Cross, till my trophies at last I lay down!**

**MAY CROWNING** Monday at 1:15. We do not worship Jesus Mother. We honor her and ask her intercession for us in heaven. Drew Hagedorn and Genevieve Nadziejko will crown Mary during our prayer service. Please bring a clutch of flowers to help honor her on Monday. Thanks to Cyra Hermann for chairing for us. We would like a parent to help/replace her for next year. Contact Mrs. Cyra Herrmann please.

**ELIZABETHAN FESTIVAL AT GIBAULT** Grade 6 and 7 will attend on May 5 as our fascination with The Bard continues in his 500 years. We think he never ventured out from Stratford-on-Avon but is known world-wide!

**THE SPORTING NEWS...** On Thursday, 4/21, the ICS Track Team finished first again in a 4-team meet at Mascoutah. The Parochial Girls won their division, and Parochial and Junior Boys finished 2nd. The Junior Girls finished in 3rd, just 5 points from first. Overall team scores are as follows:

	Holy Childhood (HCS)	ICS	(ICS)	Notre Dame (ND)	Blessed Sacrament (BS)
TOTAL	171.5	<b>185</b>		110.5	161
PLACE	2nd	1st		4th	3rd

**Monday April 25** Megan Levin broke the PG long jump record tonight with a jump of 14'11" and Mary Wessel broke the PG high jump record with a jump of 4'11". That high jump mark is 5 inches above the winning state mark from 2015!!

ICS won the overall meet **Tuesday night.** It is our third overall win in a row. Led by PG and JB it was a solid overall. This was really impressive as we were missing quite a few kids. Here are the final results.

### **OUR WORLD IS HOLY Fr. Ron Ronlheiser, OMI**

Christianity teaches us that our world is holy, that everything is matter for sacrament.

In its view, the universe is a manifestation of God's glory and humanity is made in God's image. Our bodies are temples of the Holy Spirit, the food we eat is sacramental, and in our work and in sexual embrace we are co-creators with God.

This is high theology, a symbolic hedge which dwarfs that found in virtually every other religion and philosophy.

Nowhere else, save in outright pantheism, does anyone else affirm anything so radical that it borders on blasphemy. But this is Christian thought; at its best.

The problem however is that, most times, our daily lives are so dram, distracted and fixed upon realities that seem so base that it makes this idea ("everything is sacrament") seem adolescent fantasy.

When we watch the news at night our world doesn't look like the glory of God; what we do with our bodies at times makes us wonder whether these really are temples of the Holy Spirit, the heartless and thankless way that we consume food and drink leaves little impression of sacramentality, and the symbols and language with which we surround our work and sex speak precious little of co-creation with God.

Why is this so? If the earth is ablaze with the fire of God, why do we, in the words of Elizabeth Barrett Browning, sit around and pick blackberries? What have we lost?

We have lost the sense that the world is holy and that our eating, working and making love are sacramental; and we've lost it because we no longer have the right kind of prayer and ritual in our lives. We no longer connect ourselves, our world, and our eating and our making love, to their sacred origins. It is in not making this connection that our prayer and ritual falls short.

Let me try to illustrate this with a few examples: Among the Osage Indians, there is a custom that when a child is born, before it is allowed to drink from its mother's breast, a holy person is summoned, someone "who has talked to the gods" is brought into the room. This person recites to the newborn infant the story of the creation of the world and of terrestrial animals. Not until this has been done is the baby given the mother's breast.

Later, when the child is old enough to drink water, the same holy person is summoned again. This time he or she tells the story of creation, ending with the story of the sacred origins of water. Only then, after hearing this story, is the child given water.

Then, when the child is old enough to take solid foods, "the person who talked to the gods" is brought in again and he or she, this time, tells the story of the origins of grains and other foods. The object of all of this is to introduce the newborn child into the sacramental reality of the world. This child will grow up to know that eating is not just a physiological act, but a religious one as well.

An older generation, that of my parents, had their own pious way of doing this ritual. They blessed their fields and workbenches and bedrooms, they prayed grace before and after every meal, and some of them went to finalize their engagement for marriage in a church. That was their way of telling the story of the sacred origins

of water before drinking it.

By and large, we have rejected the mythological way of the Osage Indians and the pious way of my parents generation. We live, eat, work and make love under a lower symbolic hedge.

Most of our eating isn't sacramental because we don't connect the food we eat to its sacred origins—and, for the most part, we don't really pray before and after meals.

Most of the time we consider our work as a job rather than as co-creation with God because we don't connect it to any sacred origins—and we don't bless our workbenches, offices, classrooms and boardrooms. And our sex is rarely the Eucharist that it should be because the very thought of blessing a bedroom or having sacramental sex causes laughter in most contemporary circles.

I am not sure what the solution is. Our age isn't much for the mythology of ancient cultures or for the piety of more recent generations. The ways of the past, for better and for worse, are not our ways.

**But we must find a way... a way to connect our eating and our drinking, our working and our making love, to their sacred origins.**

**Socrates once said that the unexamined life is not worth living.** It is also not sacramental. Eating, working, and making love, without reflective prayer and proper ritual, are, in the end, dram and non-sacramental. The joylessness of so much that should bring us joy can tell us as much.

### **PARISH, DIOCESAN AND COMMUNITY NEWS...**

My peace I give to you.** “*When my eyes are closed, yours will be open*” my good friend Kenny Rose(Kyle, Emily, and Taylor’s Grandfather) used to love to say. This true statement reminds us to pay attention know, appreciate, and be hopeful that when the time comes, the Spirit will help us make it. Come and break open the Good Word this weekend as we start to get ready for His Ascension and the coming of the Spirit!

**A PASTORAL LETTER FROM BISHOP BRAXTON**

Dear Parishioners in the Parishes of the Diocese of Belleville,

May the Peace of the Risen Lord Jesus Christ be with you!

I am writing to personally invite you to attend the Ordination of The Reverend Mr. Brett Judkins, from St. Stephen Parish in Caseyville, to the Priesthood of Jesus Christ, for the service of the Diocese of Belleville. The Ordination will be in two weeks, on Saturday, May 14, 2016, at 10:30 AM in the Cathedral of St. Peter in Belleville. You may have never participated in an Ordination Mass before. I assure you that you will find it a very inspiring spiritual experience. I would like you and your family to make every effort to attend and join me, my brother Priests, and Catholics from all over the Diocese in praying for Vocations to the Priesthood.

**Last year we did not ordain any Priests for the Diocese. We are ordaining only one Priest for the Diocese this year. Next year we are not ordaining anyone at all.** Currently, we have only forty-nine Diocesan priests serving one hundred and fifteen parishes! They are assisted by more than twenty *fidei donum* missionary priests whom I have personally invited to the Diocese. Their Bishops or Superiors could call them home at any time. If that happened, many parishes would be left without priests. We urgently need you to join us at the

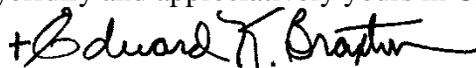

Cathedral on May 14<sup>th</sup> and pray with one voice for our new Priest and for Vocations to the Priesthood.

I realize that all of you have busy weekends. But we all do what is important to us. I hope it is important to you to have Priests to serve your Parish in the future. You may live a short drive from Belleville or you may be two hours or more away from the See City. I urge you to show your love for the Church, for your Diocese, and for your Parish by sacrificing just one Saturday from your busy schedule and join us on Ordination Day. I am profoundly serious when I ask all of you, and the Priests, Deacons, and Religious who serve you, to mark your calendars today and come to the Cathedral for the Ordination. Organize carpools, arrange for a bus, and come and pray that the Holy Spirit will call young men from your parishes to serve the Church as Priests and that these young men will respond with generous hearts.

It is important for you to remind yourselves of an important truth about the heart of the Catholic Church. There can be no Church without the Eucharist! And there can be no Eucharist without Priests! It will be very discouraging to our new Priest, to his family, and to the Priests concelebrating with me to gather in our large Cathedral with only a small number of the People of God. The Cathedral should be overflowing! **Open your hearts and hear this plea, come to the Ordination at 10:30 AM on Saturday, May 14<sup>th</sup>, in the Cathedral of St. Peter.**

St. Jean-Baptiste-Marie Vianney, Patron Saint of Parish Priests, Pray for us!

Prayerfully and appreciatively yours in Christ,

The Most Reverend Edward K. Braxton  
Bishop of Belleville
