**OPEN THE DOORS OF MERCY!**

September 4, 2015

V. 41 #11

Dear Parent, Guardian, Student, Teacher, Friend,

**LABOR DAY 2015** How does Jesus proclamation of the Kingdom with His invitation to labor with Him and His many different followers attract me, appeal to me? Jesus call to build Kingdom is very human but leads to the divine. Our Labor Day Picnic is Kingdom building. The friendships we make, the community that happens, and the laughter we share builds the Kingdom. An immense amount of work happened here over the course of an entire year through quilting, ordering supplies, reserving tents and refrigeration trailers, selling raffle tickets, signing up over 700 workers, and then the concentrated 4 days prior for set-up. The Picnic doesn't just happen. Some people take off work for us and our chairpersons Carol Mattingly and Laurie Hemepe take on the burden of the worry and helping us all to get along which they do masterfully. Best of all is our annual picnic goers who come back from near and far to be with us---Germany, Ontario, Maryland, California, Texas, and even southern Monroe County! "The Donald" hasn't called yet but don't be surprised! If we didn't make a cent the picnic would still be worth it for the fellowship we share. But we do love the net\$!

**WE NOW HAVE A BOUNCE HOUSE!** (WORKERS NEEDED) We still need some shuttle drivers and help in the Book Stand (314-750-3443) and lots of gaps. Picnic Workers still needed, especially the later shifts. You can call Carol Mattingly at [314-471-7262](tel:314-471-7262) or see her the day of the picnic and she will direct you where there are openings. Thanks to the Class of 2016 for their help with set-up and breaking down the gym with the 7th grade Monday night and Tuesday's Service/Leadership Day! **ONLY THE 8<sup>TH</sup> GRADE HAS SCHOOL TUESDAY. Start at Mass---end by 12:45. See everyone else on Wednesday!**

**Margaret Klaverkamp** nee Wielt, died peacefully in her home on August 27, 2015, in the company of her family. "Maggie" Klaverkamp was born on December 13, 1940, in Des Moines, Iowa, the only child of the late William F. and Florence Nugent Wielt, spent her teenage years in Phoenix, and moved to St. Louis, where she met and married Francis J. "Frank" Klaverkamp, Jr. As they raised a family of six, she worked as a paralegal, was an active volunteer, returned to school to earn her RN, and provided compassionate care for more than 35 years as a nurse, making friends and mentoring colleagues at Incarnate Word and Alexian

Brothers emergency rooms, 6ICU at St. Louis University Hospital, Missouri Poison Control and Southeast Texas Poison Center. She is loved by their children, **Lizanne Young** (Eric) of Dupou, Ill., Bill Klaverkamp (the late Gina Brown) of Eugene, Ore., Chris Klaverkamp (Jennifer) of Frontenac, Mo., MaryJo Zerr (Randell) of Houston, Kate Malorin (Mike) of St. Louis, and Jim Klaverkamp (Jamie Wallace) of St. Louis. She doted on her grandsons Mark Young, Thomas Young, Xander Zerr, Bryson Zerr, August Klaverkamp, William Klaverkamp, and Gregory Malorin, and beloved step-grandchildren Jesse Mulherin and Eva Torsti. Relatives and countless friends remember Maggie's laser wit, faultless advice, adventurous recipes, and obsession with fabric (as befits a member of the American Sewing Guild), along with her generous hospitality. Her life will be celebrated at a memorial Mass on Saturday, September 5, at 11 a.m. at Immaculate Conception Church, 411 Palmer Rd., Columbia, Ill., officiated by Fr. Carl E. Scherrer. Donations may be made to the Immaculate Conception Building/Landscaping Fund, or to a charity of choice. **Maggie is our Director of Faith Formation's Mom!**

**ZAC EPPLIN** This Saturday, Gibault will be retiring Zac Epplin's #9 jersey before the varsity game. The game is at Oerter Park in Columbia. The ceremony is after the JV game, after the varsity players warm-up, and before announcements. The time is a little fluid but the ceremony should begin around 6:30. Zac was such an inspiration to so many of us! He didn't complain about life but stayed in the game of life. This is a fitting tribute. We hope you can attend as Gibault takes on a formidable Belleville West. Zac has a fabulous legacy going!

**FIELD DAY** Thanks to Laura and Dan Whelan for chairing, all our volunteers, and all who built community on this great day! Details next week! <http://icsphotos.phanfare.com/7007438>

**A quote from Pope Francis:** "God has no difficulty in being understood by children and children have no trouble in understanding God. it isn't by chance that in the Gospels, Jesus speaks beautiful and strong words about the 'little ones.' This term indicates all persons who depend on the help of others, particularly children. Children, therefore, are a treasure for humanity and also for the Church because they constantly remind us of the necessary condition for entering into the Kingdom of God: that we must not consider ourselves self-sufficient, but in need of help, of love, and of forgiveness."

### **GRADS IN THE NEWS**

Sr. Marcia Kruse, ASC, ICS grad, has been called to Italy to learn Italian and help out at the ASC Generalate in Rome! It's a two-year assignment. When you see her playing the charanga this Sunday at 11:00, pinch her since she is stunned by the invitation. *"It is like winning the lottery"*.

Webster University nurse anesthesia student **Angela Delaria** worked full time as an ICU nurse for about 2 years at a local hospital before enrolling at Webster University to become a CRNA. She has now received the American Association of Nurse Anesthetist's 2015 Student Excellence Award — an annual honor given to a nurse anesthesia student who "demonstrates excellence in an area related to leadership, scholarship or service." Angela received her award in Salt Lake City, Utah this past weekend at the AANA annual congress, where she and 13 other members of her cohort presented original research and attended conference events. Her parents Rich and Dawn surprised her by showing up at the conference to support her achievement! Congratulations Angela! Keep making a difference!

**CONSTITUTION DAY** is September 17. We are a nation built upon law. Yet law is the ideal. Jesus built His Church on compassion rather than the law. *I would rather go down over compassion than the law.* Yet we need laws---we need structure---or we have anarchy.(This word always reminds me of my father-in-law Joe Jablonski. He was recovering from a stroke. Mary Sue Schoellhorn was working with him. “Jabby, give me a word that starts with A.” “Anarchy”, Dad said!) We make laws about the things we love. And then sometimes what we love is not moral, and we grow in understanding, and make Amendments! ( and yes, legal is not necessarily moral!) I hope we can celebrate this day in a special way. America is far from perfect but one of the best things going!

**DIocese OF BELLEVILLE** Teachers and catechists of the Diocese are required to take courses to keep up and grow in their faith. I often wish the Diocese would open these classes up to all.

### 3 GREAT CATECHIST OPPORTUNITIES COMING UP IN THE NEXT COUPLE OF MONTHS.

1) The Christian Gospel: What should we expect from it, and what have we settled for? Fr. Michael Patella, OSB - Oct. 24th, 8:30am - noon - 3 credit hours

2) Race, Space & Identity: Study Day of Diversity. Dr. Jonathan Smith and Nichele Moore, Esq. - Sep. 12th, 9am - noon - 3 credit hours

3) The Catechesis of the Good Shepherd - Level One - Catechist Formation Course. Sept 2015 - May 2016 - more details below

Saint Nicholas Catholic Church of O’Fallon offers training for catechists in the Catechesis of the Good Shepherd (CGS). CGS is a hands-on religious experience using the teaching principles of Maria Montessori. Through the work and collaboration of Sofia Cavalletti, a scripture scholar, and Gianna Gobbi, a Montessori trained educator, we have the gift of this program that goes far beyond the term “a religious education program.” The presentations, based on the two pillars of our faith, Scripture and Liturgy, have been selected to “help the children draw themselves closer to God.” Participants receive each presentation as a gift first, just as the child does, then the key points are gone over on an adult level, and are followed up with some very rich adult reflections. Many people walk away feeling like they have been on a mini retreat each day. Attached is the flyer for the upcoming course, beginning in September, covering Level I (children ages 3-6 years-old) of the Catechesis of the Good Shepherd. The course has been approved by the Catholic Diocese of Belleville Illinois for Catechist Credit. Upon completion of this course, the catechist will be credited with completion of TIER III of the catechist program along with completion of all electives on Tiers IV and V. If a catechist on renewal completes this course, they will be given credit of 60 hours or two renewals.

For more Catechist Opportunities (events that provide Catechist Credit Hours), check out our new "Opportunities" webpage at:

### **From an old faithful friend...**

*In this Sunday's Gospel. Jesus goes 26 miles out of his way into what Jews thought of as pagan territory to preach and heal, all of this on foot mind you. His disciples' opinion would have been that these people don't listen and are not worth your time and effort. Sound familiar? So often it is easy to forget that the deaf and mute aren't just those people, THOSE PEOPLE. **Sometimes they are us.** To hear and speak the word of God may require some healing in our own lives not just theirs. Think for instance those we might consider a waste of our time? We all have them. What community is just not worth the extra walk? About who have we forgot as James told us today, "God shows no partiality". Why are they worth less than us? Secondly, who is it that doesn't listen? Not us, that is for sure, isn't it? One of the most common techniques in marriage counseling is to get people to actually listen to one another. She never listens anyway. It's not me but him who never listens. Often just getting people to repeat to the other's satisfaction what the other just said before they speak, gets folks to realize that they were formulating their response before that had REALLY listened. For some it is an AHAH moment that the other person is not the only one who needs some healing to really hear.*

## The World's Best Schools Are in Illinois (stolen from my friend Ed.)

One bright spot for Illinois' future remains its institutions of higher learning. Illinois universities and colleges are among the best in the nation and the world, according to a newly-released report. The Academic Ranking of World Universities recently released its [annual rankings](#) of the world's top schools. The University of Chicago, Northwestern University in Evanston and the University of Illinois at Urbana-Champaign were named to the list. The three schools achieved

at least one Top 20 ranking in subject areas that included, Natural Sciences and Mathematics, Engineering/Technology and Computer Sciences, Life and Agriculture Sciences, Clinical Medicine and Pharmacy, and Social Sciences.
