**6th Grade field trip - Cathedral Basilica** is Byzantine style of Architecture and home to the largest mosaic collections in the Western Hemisphere. They were asked to do the math on the installation of the mosaics, which started in 1912 and were completed in 1988. We looked for Mrs. Weiler then did the math and managed to come up with the 76 years it took to install. Wow! There were 41.5 million tesserae pieces used to create the images on the domes,

lunettes, transepts and arches totaling 83000 square feet. Our very own Emil Frei who created the windows in our old church was apart of that installation.

**CityGarden** to learn and interact with installation art. We had our lunch on the serpentine wall and off to view "Big Suit" by Erwin Wurm described and discussed by our docent. Self exploration of works – Ringed Figure by Keith Haring, Two Rabbits, by Tom Claassen – Tai-Chi Single Whip by Ju Ming were just some of the exhibits. That Rabbit looked like Adeodatus, Father Carl?

**St. Louis Art Museum** for a self-guided tour of the Medieval and Early Renaissance galleries. Here the students were asked to find inspiration for a mosaic piece they will be creating in the style found in the Basilica and take a picture for reference.

Crucifixion by Pietro di Miniato - Posthumus Miracle of St. Stephen - Madonna and Child Enthroned with Sts. Peter, John the Baptist, Dominic, and Nicholas of Bari – Madonna and Child Enthroned with Sts. Christopher, Blaise, Sebastian and Francis – Reclining Pan and many others.

Many thanks to our Chaperones Heather Pollmann, Andrea Harget, Lynetta Newton, Chris Videmschek, Holly Blaskiewicz, Melissa Schaefer, Jean Swip, Libbi Kostelac, Molly Hake, Kim Diesel, Angie Kesler and Lauren Powers.

Mrs. Watters and Mrs. Buchanan came to speak with the fourth graders of ICS about the Daughters of the American Revolution and read them the book, "America's White Table." This story is about the tradition of setting a table to honor the soldiers who did not return home from war. This tradition started during the time of the Vietnam War. There is a white cloth to honor a soldier's pure heart when he answers his country's call to duty. A lemon slice and grains of salt are placed on a plate to show a captive soldier's bitter fate and the tears of families waiting for loved ones to return. There is an empty chair for the missing soldiers who are not here, and there is a black napkin for the sorrow of captivity. A glass is turned over for the meal that won't be eaten and a white candle for peace. Finally, there is a red rose in a vase tied with a red ribbon for hope that all our missing will return someday.

**SCRIP** Volunteers needed: we are looking for new volunteers to help sell Scrip at Mass on the weekends. It's a great way to fulfill your time, talent and treasure! We will schedule you for a mass you already attend. Email Catie Tyler at [rcjettyler@gmail.com](mailto:rcjettyler@gmail.com) if interested in helping.

I am planning to making an ICS memory t-shirt quilt for the dinner auction and I'm hoping you might be able to help me out.

I am trying to get my hands on any kind of ICS t-shirt or polo shirt - school spirit, sports, academic, the arts - anything I can cut up. I can use fronts/ backs/ logos. I have more recent ones like the theme shirt (I.e.The Joy of Love and Fr. Car's birthday shirt) but I am looking for additional items - anything to do with ICS, present or past. I cannot stress enough that I can use just about anything! I will return items I cannot use, but please give with the knowledge that they could end up in a quilt. The size of the quilt will depend on how many items I can get my hands on. It could go as a silent auction item or a live auction item, again depending how it turns out - awesome, I hope, and the envy of many, so I can raise some \$\$\$ for ICS!!

Please leave anything you are willing to contribute with Mrs. Epplin and I will get them from her. If you want anything back that I cannot use, put your name on it and I will make certain it is returned to you. I don't want to wait until the last minute, and we all know how time flies, so the sooner the better.

With many thanks, and for the benefit of ICS!

Jeanette Melliere (Grandma of the Melliere and McGill ICSers)
